Description

The Best-Selling Net Chair is the perfect combination of comfort, style, and durability. Designed with relaxation in mind, this chair features a single-body construction made from fibreglass resin, ensuring maximum strength and longevity. The radial pattern of square perforations across the entire surface of the seat adds a touch of elegance to the chair, while also providing ventilation to keep you cool and comfortable.

The monobloc armchair is designed with your comfort in mind, providing ample space to rest your arms and back. Crafted from uniformly coloured fibreglass polypropylene resins with UV additives, the Nardi Net Chair is designed to withstand the harsh Australian weather conditions. The matte finish adds a touch of sophistication to the chair, making it the perfect addition to any outdoor space.

The Net chair is also designed with non-slip feet, ensuring stability on any surface. Plus, with the option to order a fitted cushion, you can take comfort to the next level with an added layer.

Not only is the Nardi Net Chair a stylish and comfortable addition to your outdoor space, but it's also an environmentally-friendly choice. Made from recyclable resin, this chair is a sustainable choice that you can feel good about.

The Nardi Net Chair is available in six stunning colour options, allowing you to choose the perfect one to complement your existing outdoor decor. Whether you're lounging poolside, enjoying a book on the patio, or hosting a barbecue with friends and family, the Nardi Net Chair is the perfect choice for refined relaxation.

The Net chair comes in six colour options, with the additional Agave green colour option, exclusively available in Australia at Outdoor Furniture Ideas!
