# Nardi Trill Armchair-Grigio

## Product Images

---

## Description

---

The Nardi Trill arm chair is a stackable chair made with the latest technology in fibreglass filled polypropylene that is UV resistant. Designed exclusively for Nardi by Raffaello Galiotto.

Ideal for contract and high commercial usage as it is available standard with a 2 year warranty.

It is made in Italy and has a matt finish resin surface. Can be used indoor or outdoor.

The recyclable resin trademark guarantees that each product is made with 100% recyclable resin and can be crushed and completely recycled without producing waste or damaging the environment.

Nonslip feet.

Optional Seat Cushion available in Grafite.
