

Somerset Aluminium Armchair

Product Images

Description

Add a touch of charm to your outdoor setting with the Somerset *Aluminium Armchair*, a beautifully designed piece with graceful curves and timeless appeal.

Crafted with a flowing powder-coated aluminium frame, the Somerset blends romance and functionality. It's stackable for easy storage and versatile enough for both outdoor and indoor use.

Available in three stylish colours: Black, White, and Retro Light Blue, the Somerset armchair is ideal for relaxed dining or casual lounging. The seat height sits at a comfortable 46.5cm, and the chair is built to European standards for safety and durability.

Specifications:

- Suitable for outdoor and indoor use
- Stackable design
- Colours: Black, White, Retro Light Blue
- Seat height: 46.5cm, Arm rest height: 67cm
