

Ashwood Slat Outdoor Square Dining Table 90cm

Product Images

Description

Elevate your outdoor space with our Square Ashwood Dining Table, a perfect fusion of natural beauty and industrial strength. This table boasts a stunning natural ashwood slat seat, harmoniously combined with a robust frame featuring a textured powder-coated finish. Designed with versatility in mind, it's perfectly suited for outdoor use under cover, ensuring both style and durability in any setting.

The frame's resilience is unmatched, crafted from mild steel and thoughtfully zinc-plated before receiving its powder coating. This meticulous process guards against corrosion, ensuring your table remains as pristine as the day you bought it.

Please note that assembly is required.

Additional Information

Product Code	T1534-STW-90X90
Weight	28 kg
Height	75 cm
