Astral Chair — Black Frame / Grey Seat

The Astral Chair is a sleek, modern seating option in a black frame with a coordinating grey seat. Moulded from high-quality UV-resistant polypropylene, it is built to withstand the elements and resist fading, making it well suited to both indoor and outdoor use.

Round perforated holes let rainwater drain away easily to keep the seat dry and comfortable, and the stackable design makes it easy to store. Weighing 4.5 kg, it is a smart choice for restaurants, cafes and outdoor event spaces.

Key Features

UV-RESISTANT POLYPROPYLENE

Moulded from high-quality UV-resistant polypropylene that resists fading and holds its finish over time.

PERFORATED DRAINAGE

Round perforated holes drain rainwater away easily, keeping the seat dry and comfortable for patrons.

STACKABLE

Stacks neatly for easy storage when not in use — ideal for high-turnover venues and event spaces.

INDOOR & OUTDOOR

Suited to both indoor and outdoor use across restaurants, cafes and outdoor event spaces.

LIGHTWEIGHT (4.5 KG)

At just 4.5 kg it is easy to move, stack and rearrange for service and cleaning.

Care & Cleaning

Wipe the polypropylene frame and seat clean with warm water and a mild soapy solution, then rinse and allow to air dry. Avoid abrasive scourers or harsh solvents.
