

Apollo Polypropylene Resin Bar Stool

Product Images

Description

Introducing the Apollo Bar Stool - a sleek and stylish seating option for any commercial space. Available in a black frame with a grey seat or a white frame with a light brown natural look seat, this bar stool is sure to impress.

Crafted from high-quality UV resistant polypropylene, the Apollo Bar Stool is built to withstand the elements and resist fading over time. This makes it an ideal choice for both indoor and outdoor use, ensuring that it will maintain its sleek appearance for years to come.

Featuring round perforated holes, the Apollo Bar Stool is designed to make water drainage easy in the event of rain, keeping the stool dry and comfortable for patrons. And with its stackable design, the Apollo Bar Stool

is easy to store when not in use, making it a great choice for bars, restaurants, and outdoor event spaces. With a 2-year warranty, you can trust that the Apollo Bar Stool is a smart investment that will deliver both style and substance.
