Description

Discover the new Kanzo Outdoor Dining Chair, a beautifully designed piece that embodies the essence of minimalism and modern elegance. Inspired by the Kanzo philosophy, which values simplicity, mindfulness, and balance, this chair is crafted to enhance the outdoor dining experience by introducing an atmosphere of harmony and serenity.

The Kanzo Chair has been thoughtfully revitalised with a modern geometric design, creating a sense of balance and tranquility perfect for any outdoor setting. Its durable aluminium frame is powder-coated to withstand the elements, making it a resilient and stylish choice for 100% outdoor use.

Featuring a seat woven with flat, smooth wicker, the Kanzo Chair not only offers a visually appealing texture

but also provides exceptional comfort and durability, ensuring it remains a beloved part of your outdoor dining space for years to come. While it is designed as a non-stackable chair, its robust construction supports a significant weight load of up to 150kg.

Discover the perfect blend of style, comfort, and durability with the KANSO Outdoor Dining Chair, and transform your outdoor dining area into a minimalist haven where every gathering is an invitation to relax and connect.

A Bar Stool, Lounge Chair, Side Chair, and Coffee Table are available as part of this collection.
