## Description

---

Complete your outdoor setup with the versatile and stylish Nardi Maximo Pouf Module, a perfect addition to the Nardi Maximo Modular Sofa collection. Designed by Raffaello Galiotto, this pouf module is an embodiment of sustainability and sophistication, enhancing both comfort and aesthetic appeal in your outdoor space. Engineered with a frame crafted from regenerated resin and textiles brimming with recycled content, this modular sofa is as eco-friendly as it is stylish. The Nardi Maximo comes in four different coloured frames: Gesso, Basalto, Cactus, and Terra. These frames can be paired with one of four Sunbrella cushion colours: Perla, Timo, Lava, and Cannella, allowing you to fully customise your outdoor lounge to fit your environment. ## Key Features:

- **Modular Flexibility:** The Maximo Pouf Module seamlessly integrates with your existing Maximo sofa arrangement or stands alone as a versatile piece. Use it as an extra seat, a footrest, or even a casual table.
- **Sustainable Craftsmanship:** Featuring a frame made from regenerated resin and Sunbrella textiles with high recycled content, the Maximo Pouf Module aligns with eco-friendly practices while offering durability and style.
- **Sophisticated Design:** The pouf boasts clean, balanced lines and a sleek, modular design that complements any outdoor decor. Its compact yet spacious form adds a touch of elegance to your outdoor setting.
- **Comfort and Durability:** With its high-performance Sunbrella cushions that are removable and washable, the pouf ensures long-lasting comfort and easy maintenance. The soft, self-centering cushions come in four charming colors, matching perfectly with the rest of the Maximo collection.
- **Attention to Detail:** The meticulous design of the Maximo Pouf Module is evident in its harmonious proportions and luxurious textures, providing both functionality and a refined look.
