regeneration

Description

Experience the perfect blend of eco-friendliness and elegance with the Tiberina Armchair, a stylish addition to any outdoor setting. This monobloc chair features armrests, rounded lines, and circular legs, offering both comfort and modern design. Crafted from uniformly colored fiberglass polypropylene resins with UV additives, the Tiberina boasts a durable, matt finish and non-slip feet, ensuring stability and longevity.

Available in Corda, Terra, Anthracite, and Tortora, the Tiberina Armchair not only enhances your outdoor space with its sleek design but also supports eco-friendly practices. In the Terra color version, the chair is made from regenerated fiberglass polypropylene resins, showcasing Nardi's commitment to sustainability. The use of recycled materials may result in slight color variations, adding a unique character to each piece.

Elevate your patio, deck, or garden with the versatile and recyclable Tiberina Armchair, available now at Outdoor Furniture Ideas.
