Care and cleaning

Wipe with warm water and a mild detergent, then dry. Compact laminate is non-porous, so spills sit on the surface rather than soaking in. Avoid abrasive pads and solvent-based cleaners, which can dull the finish. Please note: each top is pre-drilled to match Nardi table bases and must be fitted to a compatible Nardi base. We do not recommend using these tops on other manufacturers' bases — the fixing centres will not line up.
