Description

Allure 3 Piece Outdoor Set

A complete poolside setting: two Allure Sunbrella sun loungers and one Allure outdoor side table. Bought together the frames match and the table is already the right height for the loungers, which is the thing that goes wrong assembling a poolside from separate purchases.

Sunbrella is solution dyed, so the colour is in the fibre rather than printed on the surface. It holds colour in

full Australian sun and the fabric carries a 5 year warranty of its own, separate from the frame.

Both loungers are 208 cm long so you lie out flat rather than propped up, and the side table sits between them at 50 cm, which is arm height when you are lying back. The loungers arrive assembled.

Key Features

TWO LOUNGERS AND A TABLE

A complete poolside in one order, with the lounge and table heights already matched.

SUNBRELLA UPHOLSTERY

Solution dyed acrylic on both loungers, with a 5 year fabric warranty separate from the frame.

208 CM FULL LENGTH

Long enough to lie out flat rather than sit propped up, which is what separates a lounge from a deck chair.

ALUMINIUM THROUGHOUT

Powder coated aluminium on all three pieces, so nothing in the set will rust in chlorine or salt air.

TABLE AT 50 CM

Lounge height rather than sofa height, so the top is at arm level when you are lying back.

LOUNGERS ARRIVE ASSEMBLED

No build required on the loungers. The delivery goes straight onto the pool surround.

What is included. Two Allure Sunbrella Outdoor Sun Loungers (75 x 208 x 40 cm, 18 kg each) and one Allure Outdoor Side Table (32 x 40 x 50 cm, 5 kg).

Colours. The loungers are supplied in light grey Sunbrella fabric. The side table comes in white or black.

Complete the setting. A purpose made Allure outdoor cover is available in black, and the Allure Sun Lounge Cabana is the canopied double version if you want shade built in.

Care & Cleaning

Rinse the rope with fresh water and wipe it down with a soft cloth and mild soapy water. Avoid solvents, bleach and abrasive pads. Let cushions dry fully after rain rather than covering them damp, and in coastal areas rinse more often to clear salt spray. Use a cover or store it under shelter through long periods out of use.

Frequently Asked Questions

What comes in the set?

Two Allure Sunbrella sun loungers and one Allure outdoor side table.

How long are the loungers?

208 cm, so you lie out flat rather than propped up. Each is 75 cm wide and weighs 18 kg.

Will the fabric fade in full sun?

Sunbrella is solution dyed, so the pigment is inside the fibre. The fabric carries a 5 year warranty separate from the frame.

Can I buy the pieces separately?

Yes. Both the lounge and the side table are available on their own.

How do I look after it?

Rinse with fresh water and wipe with mild soapy water and a soft cloth. Avoid solvents, bleach and abrasive pads, and let anything upholstered dry fully before you cover it.
