

Alba Outdoor Resin Bar Stool

Product Images

Description

The Alba Bar Stool is a sleek and durable seating solution crafted from UV-protected polypropylene, ensuring long-lasting color retention and resistance to outdoor elements. Designed with smooth, clean lines, this bar stool effortlessly combines functionality with style.

Its versatile design makes it suitable for both indoor and outdoor use, perfect for cafes, bars, restaurants, or residential spaces seeking modern simplicity. Lightweight and easy to move, the Alba Bar Stool offers practical seating without compromising on aesthetics. Available in classic black, white and fresh beige, it seamlessly complements various decor styles while providing reliable comfort at bar-height tables and counters.

A relax chair, armchair, bench, side chair, and coffee tables are available as part of the Alba range.
