

Halston Rope-Teak Outdoor Dining Armchair

Product Images

Description

Designed for style and durability, the Halston Dining Chair brings modern elegance to any outdoor setting. With a focus on comfort and premium materials, this chair is perfect for long, relaxed meals and stylish alfresco entertaining.

- Handwoven Olefin Rope – A sophisticated, weather-resistant weave that adds texture and durability.
- Teak Armrests – A natural wood accent that enhances aesthetics while providing a comfortable resting place.

- Plush Comfort – A 3.5cm thick foam cushion ensures a relaxed and supportive seat, ideal for extended dining.
- Weatherproof Aluminium Frame – Rust-resistant, lightweight, and built for outdoor conditions.

Available in two contemporary combinations:

- Charcoal Frame with Charcoal Rope
- White Frame with Light Grey Rope

With dimensions of 58cm x 55cm x 80cm, the Halston Dining Chair pairs perfectly with the Halston 160cm Dining Table, creating a sophisticated and inviting outdoor dining space. Designed for both comfort and style, it is the perfect addition to any modern alfresco setting.
