

Vento Stackable Rope Armchair

Product Images

Description

Add a splash of colour and comfort to your outdoor space with the *Vento Armchair*. Lightweight, stylish, and easy to store, it's the perfect seating solution for balconies, patios, and garden nooks.

The Vento features a powder-coated aluminium frame and a hand-woven 6mm rope seat with a quick-dry polypropylene core-ideal for wet weather or poolside settings. It comes with a comfy acrylic cushion made for the outdoors, so you can relax in style and enjoy your outdoor area year-round.

Available in five vibrant colours, the Vento is stackable for easy storage when not in use and light enough to move around as needed.

Key Features:

- Powder-coated aluminium frame-lightweight and weather-resistant (3.7kg)
- 6mm rope weave with a fast-drying polypropylene core
- Acrylic seat cushion included for added comfort
- Stackable design-great for flexible outdoor layouts
- Available in 5 bold colours

Whether you're styling a sunny deck or a quiet courtyard, the Vento Armchair adds comfort, personality, and practicality to your outdoor living.
