

Nardi Cassia Resin Outdoor Barstool

Product Images

Description

Designed and made in Italy, the Cassia Bar Stool by Nardi brings comfort and style to your outdoor entertaining space. Crafted from durable fibreglass resin, it's UV resistant, weatherproof, and easy to clean—perfect for year-round use on balconies, decks, and garden bar areas.

With its smooth curved backrest and horizontal slats, Cassia offers both support and ventilation. It's lightweight and stackable, making it easy to move or store when not in use.

Available in a beautiful range of earthy tones, including sustainable options like Basalto and Cactus made from recycled resin, the Cassia Bar Stool is a smart, stylish addition to any home.
