Cafe Series 2m Square Commercial Umbrella

Product Images

Description

Cafe Series 2m Square Commercial Umbrella

The Instant Shade Cafe Series is the umbrella hospitality venues use every day, now available for your home. This 2m square centre post umbrella gives 4 m² of shade over a dining setting, pool deck or alfresco area, on a rust free anodised aluminium frame with a 40mm post.

It opens and closes with a simple rope and pin mechanism, with no crank to wear out, and the polyester canopy carries a 4 year commercial fade warranty. Built for daily commercial service, it is more than ready for a busy family summer.

Choose your canopy colour: White, Natural or Black, the three standard colours, available ex stock from

Instant Shade.

Base sold separately. This umbrella has a 40mm post. The Instant Shade 25kg Wheel Base with 40mm spigot suits the Cafe Series, or use an in ground or bolt down fitting to suit your space.

Key Features

COMMERCIAL GRADE

A centre post market umbrella made for daily venue use, giving 4 m² of shade on a 40mm anodised aluminium post.

ROPE AND PIN OPENING

A rope and pin mechanism with a hidden pulley raises and lowers the canopy quickly, with nothing fiddly to break.

STRONG NYLON CONNECTORS

High strength nylon connectors at every rib joint, the part that fails first on cheaper umbrellas.

4 YEAR FADE WARRANTY

A solution dyed polyester canopy with a 4 year commercial warranty against fading, plus a 3 year frame warranty.

RUST FREE FRAME

An anodised aluminium frame that will not rust or flake paint, finished in silver as standard.

WIND GUIDANCE

Engineered to a 60 km/h wind rating when correctly installed. Always close the umbrella in unsuitable weather.

Canopy colours. White, Natural and Black in water repellent, UV resistant solution dyed polyester canvas. Further colours are available made to order in premium acrylic canvas for an additional charge and lead time. Fabric colours can vary slightly from a printed or on screen swatch.

Frame. Silver anodised aluminium as standard. Non standard powder coat finishes are available to order with a longer lead time.

Mechanics. A rope and pin system with a hidden pulley, quick to open in the morning and close at night.

Warranty. A 3 year frame warranty and a 4 year commercial warranty against canopy fading.

Wind guidance. Engineered to a 60 km/h wind rating when installed and weighted correctly. Wind speeds are

a guide only and wind damage is not covered if the umbrella is not installed, weighted, closed and used as directed, so close and secure the canopy whenever conditions turn.

Care & Cleaning

Close and strap the canopy when the umbrella is not in use. Clean the canopy with mild soap, water and a medium bristle brush, and avoid harsh chemicals and bleach. Wipe the frame with a damp cloth and keep the mechanism clean and dry. A protective cover bag is recommended over winter and for storage.

Frequently Asked Questions

How much shade does it give?

The 200 x 200 cm canopy gives 4 m² of shade, with the canopy edge at 205 cm when open.

Which base does it need?

The post is 40mm, so choose a base with a 40mm spigot, such as the Instant Shade 25kg Wheel Base. A base is not included with the umbrella.

What wind rating applies?

It is engineered to a 60 km/h wind rating when installed and weighted correctly. Wind speeds are a guide only, so close and secure the canopy whenever conditions turn.

What warranty comes with it?

The frame has a 3 year warranty and the polyester canopy has a 4 year commercial warranty against fading.

What canopy colours are available?

White, Natural and Black are the standard colours, available ex stock. Further colours are available made to order in acrylic canvas for an additional charge and lead time.
