## Product Images

## Description

---

The Nardi Maximo Tavolino 33 is a sleek, functional low table designed as the perfect accessory for the Maximo modular lounge system. Featuring a suspended round top, it attaches effortlessly to the Maximo frame to create a convenient surface for drinks, snacks or décor while maintaining the clean, sculptural lines of the collection.

Crafted in Italy from regenerated, uniformly coloured fiberglass polypropylene resin with UV additives, the Tavolino 33 offers exceptional durability and sustainability. Its matt finish enhances its refined look, and the fully recyclable resin ensures long lasting performance in Australian outdoor conditions.

Available in Terra, Cactus, Gesso and Basalto, you can match or contrast your Maximo lounge modules to suit

your style. Natural colour variations may occur due to the use of regenerated materials, giving each piece a unique character.

Smart, stylish and practical, the Maximo Tavolino 33 completes your modular lounge with effortless functionality.
