

Nardi Plano Sunlounger with Cushion

Product Images

Description

Elevate your outdoor lounging with the Plano Sun Lounger by Nardi, Italy's latest design innovation, now available at Outdoor Furniture Ideas. First revealed at Milan Design Week 2025, this lounger combines cutting edge European style with practical comfort tailored for the Australian outdoors.

Designed by renowned Italian designer Raffaello Galio, the Plano features a sleek, minimalist frame and an extra wide seat that invites you to truly unwind. With four reclining positions including a fully flat setting, it's perfect for soaking up the sun, poolside napping or weekend reading.

Crafted from durable UV resistant fibreglass resin, the frame won't fade, crack or warp even in harsh Australian conditions. Lightweight yet sturdy, it includes smooth castors for easy movement, non slip feet for

stability and folds neatly when not in use. It's also stackable, making it ideal for both residential homes and boutique resorts.

This bundle includes the tailored Plano Cushion in Lino, adding 6 cm of supportive comfort. Made in Italy, the cushion features premium solution-dyed acrylic fabric with excellent UV resistance, and is water repellent, stain resistant and anti-mould treated. The removable zip cover is washable for easy care.
