Description

Onda Curved Modular Lounge Collection - 5-Piece Curved Outdoor Corner Lounge

The Onda Curved Modular Lounge Collection is a five-piece curved modular outdoor lounge built around soft, flowing lines. Named after the Italian word for wave, Onda is defined by a sweeping, rounded silhouette that turns a patio, poolside or alfresco area into a genuine centrepiece. The setting combines two curved two-seater sofa modules, a corner module and two nested ceramic-topped coffee tables, seating five in deep, sink-in comfort.

Like Siena, Onda uses a powder-coated aluminium frame finished with a natural timber-look heat-transfer

print rather than solid teak - the warmth of timber without the maintenance. Woven light grey outdoor rope detailing runs across the backs, the white-beige cushions are upholstered in fade-resistant recycled polyester, and the extra-thick 17 cm seat cushions run the full length of the curve for exceptional comfort.

Onda is the more sculptural, design-led of our premium lounge settings and is fully modular: the two curved two-seater modules and corner module can be arranged to frame a view, a fire feature or a coffee-table moment, and rearranged whenever your space changes. Table-leg assembly is required.

Key Features

SCULPTURAL CURVED DESIGN

A flowing, wave-like silhouette designed as a premium outdoor centrepiece rather than a standard corner lounge.

MODULAR CONFIGURATION

Two curved two-seater modules and a corner module let you shape the setting to suit your space and rearrange it whenever you like.

EXTRA-THICK 17 CM CUSHIONS

Deep, sink-in seat cushions run the full length of the curve for exceptional lounging comfort.

TIMBER-LOOK ALUMINIUM FRAME

Powder-coated aluminium with a natural timber-look heat-transfer finish - warm wood tones without the upkeep or weight of solid timber.

WOVEN ROPE AND RECYCLED FABRIC

Light grey woven rope back detailing paired with fade-resistant white-beige recycled polyester upholstery.

NESTED CERAMIC-TOPPED TABLES

Two coordinating round tables with wipe-clean ceramic tops that resist heat, scratches and stains; backed by a 12-month warranty.

Onda is offered in a single considered colourway: a warm natural timber-look frame, light grey woven outdoor rope and soft white-beige recycled-polyester cushions - a neutral, contemporary palette with genuine presence.

Corner module87 x 87 x 72 cm

Large round coffee table90 cm dia x 25 cm high

Small round coffee table60 cm dia x 32 cm high

Seat cushion thickness17 cm

Warranty12 months

Materials & construction

Powder-coated aluminium frame with natural timber-look heat-transfer finish; light grey woven outdoor rope back detailing; white-beige recycled polyester cushions (seat and back); 6 mm ceramic table tops. Modular configuration - table-leg assembly required.

Care & Cleaning

Frame: Wipe the timber-look aluminium frame with a soft cloth, warm water and a mild detergent. Avoid abrasive scourers or harsh solvents, which can dull the finish.

Rope weave: Brush away loose dirt and dust regularly, then clean occasionally with a soft brush, warm water and mild soap; rinse and air-dry fully before use.

Ceramic table tops: Wipe with a damp cloth. The ceramic surface is heat, scratch and stain resistant and does not require sealing.

Cushions: Spot-clean the recycled polyester covers with a soft cloth, mild soap and warm water and allow to dry fully. Store or cover the cushions during extended non-use or in wet, extreme or coastal conditions to maximise their life.

Additional Information

Product Code	ONDA-5PC
Weight	70 kg
Height	72 cm
Width	166 cm
Depth	89 cm
Product Origin	China
Brand	Outdoor Furniture Ideas
Warranty	12 Months
