Description

NOON Outdoor Armchair, colour-forward dining in two considered finishes

Choose Mocha or the limited Olive Green finish for this compact dining chair, defined by a curved rope-woven back and supportive seat and back cushions.

It forms part of NOON by BLOO, available exclusively in Australia through Outdoor Furniture Ideas. That countrywide exclusivity brings a distinctive, colour-forward design language to Australian outdoor spaces.

Designed for Australian outdoor conditions, the rust-resistant aluminium frame is protected by a durable powder-coated finish. Colourfast 6mm Olefin rope is selected to resist moisture and fading while keeping the

structure visually light.

The gently curved back supports relaxed dining, while the upholstered seat and back cushions soften the structured rope silhouette. Choose Mocha for a warm neutral setting or limited Olive Green for a stronger colour statement.

Care & Cleaning

Rinse the rope and aluminium frame with fresh water, then wipe with a soft cloth and mild soapy water. Avoid solvents, bleach and abrasive pads. Keep upholstered cushions dry when the furniture is not in use for extended periods, and fit any included protective cover only once the product is clean and dry. In coastal areas, rinse the frame more frequently to remove salt spray.
