Description

NOON Outdoor Sunlounger - Mocha, a softer take on poolside lounging

A long, sculptural sunlounger with a softly enveloping rope-woven back, full-length cushion and headrest pillow for unhurried poolside relaxation.

It forms part of NOON by BLOO, available exclusively in Australia through Outdoor Furniture Ideas. That countrywide exclusivity brings a distinctive, colour-forward design language to Australian outdoor spaces.

Designed for Australian outdoor conditions, the rust-resistant aluminium frame is protected by a durable powder-coated finish. Colourfast 6mm Olefin rope is selected to resist moisture and fading while keeping the

structure visually light.

The full-length cushion and matching headrest support the body from head to toe, while integrated rear wheels make repositioning easier as the sun moves. A purpose-made protective cover is included for protection between uses.

Care & Cleaning

Rinse the rope and aluminium frame with fresh water, then wipe with a soft cloth and mild soapy water. Avoid solvents, bleach and abrasive pads. Keep upholstered cushions dry when the furniture is not in use for extended periods, and fit any included protective cover only once the product is clean and dry. In coastal areas, rinse the frame more frequently to remove salt spray.
