Description

HPL Compact Laminate Tabletop - Walnut

Product code HPLT/WALNUT brings a rich medium-brown walnut timber look with fine linear grain to a durable commercial tabletop. Its slim black edge gives the timber-look surface a defined outline, while the plywood board beneath creates a practical fixing area for a compatible table base.

Made for cafes, restaurants, bars and hospitality venues, the compact laminate surface handles the regular wiping, spills and daily turnover of commercial service. Choose from 60cm round, 60 x 60cm square or 70 x 70cm square.

Suitable for indoor and outdoor use.

KEY FEATURES

Care & Cleaning

Wipe with warm water and mild detergent, then dry with a soft cloth. Avoid abrasive pads, scouring powders and harsh solvents. In outdoor areas, clean spills and surface contaminants promptly, do not leave water pooled around the underside fixing board, and inspect the edge, backing and fixings regularly.

Warranty

Covered by a three-year warranty for commercial use.

Frequently Asked Questions

Can the HPLT/WALNUT tabletop be used outdoors?

Yes. The HPL compact laminate tabletop is suitable for indoor and outdoor hospitality settings; regular cleaning and inspection are recommended in exposed locations.

How is a table base attached?

The base fixes into the 35 x 35cm plywood board beneath the tabletop. Confirm mounting-plate size, fixing positions and screw length before installation.
