

Nardi Doga Outdoor Resin Bench

Product Images

Short Description

Stackable Italian outdoor bench in UV-treated, mass-coloured fibreglass polypropylene with aluminium tubes and non-slip feet. Choose from eight Doga colours.

Description

Nardi Doga Outdoor Resin Bench

Create a welcoming extra seat on a balcony, patio or garden with the Nardi Doga Bench. Its open slatted

design feels light and relaxed outdoors, while the sturdy monobloc form gives family and guests a practical place to pause, chat or gather around a low table.

Made in Italy from mass-coloured, UV-treated fibreglass polypropylene with aluminium tubes and non-slip rubber feet, it stacks neatly when you want more space. Eight earthy and expressive colours make it easy to coordinate with your outdoor setting.

KEY FEATURES

MADE IN ITALY

Designed and manufactured in Italy by Nardi for coordinated outdoor settings.

UV-TREATED RESIN

Mass-coloured, UV-treated fibreglass polypropylene supports lasting outdoor colour.

STACKABLE

The monobloc design stacks to reduce the space needed between services.

RECYCLABLE COMPONENTS

The resin, aluminium and rubber components are recyclable.

NON-SLIP FEET

Non-slip rubber feet help the bench sit securely on suitable flooring.

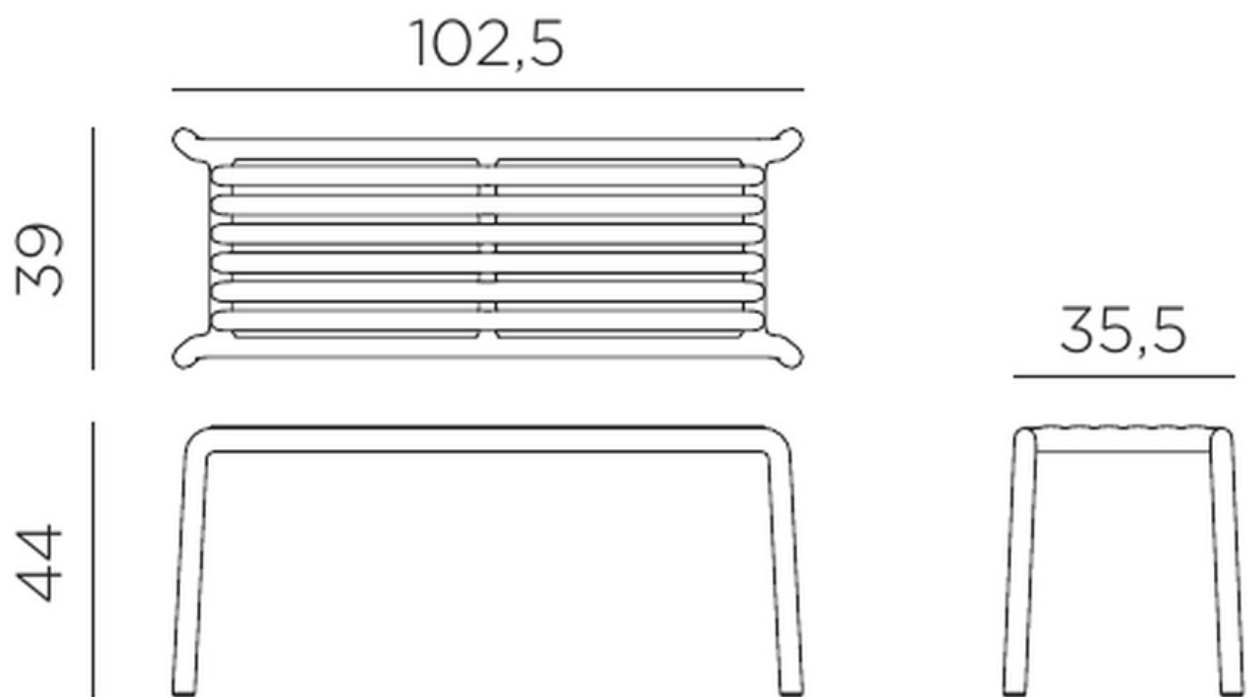

2 YEARS WARRANTY

Covered by Nardi's two-year warranty for added purchase confidence.

Choose your colour. Keep the look calm with White, Anthracite or Cappuccino, bring in garden greens with Menta, Agave or Pera, or add warmth with Marsala or Tabacco. The Doga Table appearing in one gallery image is sold separately.

Dimensions

Width102.5 cm

Overall depth39 cm

Seat depth35.5 cm

Weight6.8 kg

Care & Cleaning

Clean with water and a mild, non-abrasive detergent, then rinse and dry. Avoid abrasive pads and aggressive cleaners. Stack carefully and store under cover during prolonged non-use or severe weather.

Please note: assembly is required. Follow the supplied Nardi instructions and check that all components are

secure before use. Covered by Nardi's 2-year manufacturer warranty. The Doga Table shown in one gallery image is sold separately.

Frequently Asked Questions

Is the Doga Bench suitable for outdoor use?

Yes. Nardi describes the Doga Bench as outdoor seating and uses mass-coloured, UV-treated fibreglass polypropylene.

Is the bench stackable?

Yes. Its stackable monobloc design helps reduce storage space between services.

What are the dimensions?

The bench measures 102.5 cm wide, 39 cm deep and 44 cm high, and weighs 6.8 kg.

What is it made from?

Mass-coloured, UV-treated fibreglass polypropylene with aluminium tubes and non-slip rubber feet.

Is the table shown included?

No. The Doga Table shown in one gallery image is sold separately.
