Description

NOON Outdoor Lounge Chair, deep comfort in a sculptural rope frame

Generous cushions and a rounded rope-woven frame create a relaxed lounge chair for slow afternoons outdoors.

It forms part of NOON by BLOO, available exclusively in Australia through Outdoor Furniture Ideas. That countrywide exclusivity brings a distinctive, colour-forward design language to Australian outdoor spaces.

Designed for Australian outdoor conditions, the rust-resistant aluminium frame is protected by a durable powder-coated finish. Colourfast 6mm Olefin rope is selected to resist moisture and fading while keeping the

structure visually light.

A deep seat and generous back cushion encourage a more relaxed posture, while the open rope frame keeps the chair visually light. A purpose-made protective cover is included for added protection between uses.

In coastal areas, rinse the frame more frequently to remove salt spray.
