Description

NOON Outdoor Footrest, the compact finishing piece for deeper outdoor comfort

A cushioned footrest that extends the comfort of the NOON lounge collection and can double as a compact occasional seat.

It forms part of NOON by BLOO, available exclusively in Australia through Outdoor Furniture Ideas. That countrywide exclusivity brings a distinctive, colour-forward design language to Australian outdoor spaces.

Designed for Australian outdoor conditions, the rust-resistant aluminium frame is protected by a durable powder-coated finish. Colourfast 6mm Olefin rope is selected to resist moisture and fading while keeping the structure visually light.

The upholstered top extends the comfort of NOON lounge seating and can also serve as a compact occasional seat. A purpose-made protective cover is included for protection between uses.

In coastal areas, rinse the frame more frequently to remove salt spray.
