Description

Nardi Maximo Pouf in Lumiere Fabric

(INDENT ORDER ONLY 12-16 WEEKS)

The Nardi Maximo Pouf in Lumiere fabric is a backless pouf module. It is one of the elements of the Nardi Maximo 4 set, where it extends the row as a chaise end, and can be added to any Maximo layout. It pairs the Maximo frame in your choice of four colours with a seat cushion in Modulaire Senape, the Nardi Lumiere fabric.

Maximo is designed for Nardi by Raffaello Galiotto. The frame is moulded from UV treated, mass coloured fibreglass polypropylene that contains a percentage of post consumer regenerated resin, with non slip feet. Low, deep proportions and thick cushions give it a relaxed, sink in feel.

Maximo is a modular system: the modules can be secured to one another, so this piece combines with the other Maximo elements and you can configure your own layout and change it later.

Key Features

MADE IN ITALY

Designed for Nardi by Raffaello Galiotto and made in Italy.

REGENERATED RESIN FRAME

Mass coloured, UV treated fibreglass polypropylene containing post consumer regenerated resin.

FULLY MODULAR

Can be secured to other Maximo modules, so the layout can be rearranged or extended later.

DEEP LOUNGE PROFILE

45.5 cm seat height on a compact 80 x 80 cm footprint.

LUMIERE BY STUDIO PISK

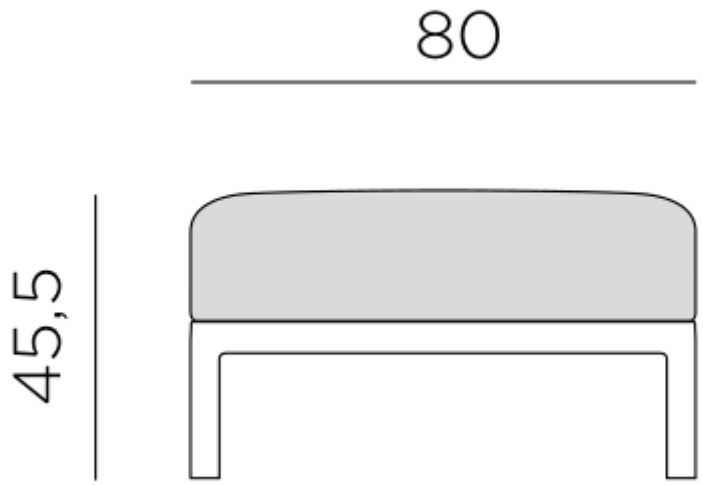

Modulaire Senape jacquard, from a capsule of fabrics made exclusively for Maximo.

2 YEAR WARRANTY

Backed by Nardi's 2 year manufacturer warranty.

Colours. The frame comes in four Nardi finishes, and their Italian names describe the shade: Terra ('earth', a warm terracotta brown), Gesso ('chalk', a pale, plaster off white), Cactus (a muted sage green) and Basalto ('basalt', a deep volcanic charcoal). Lumière is Nardi's capsule collection of exclusive fabrics for the Maximo system, with textile design by Studio Pisk. The seat cushion is in Modulaire Senape (*senape* is Italian for mustard), a graphic jacquard in 100% mass dyed polypropylene fibre that is PFAS free and washable at 30°C. Every piece is made to order by Nardi in your chosen frame and fabric, as an indent order with a lead time of 12 to 16 weeks.
