Description

The Nardi FOLIO cushion is a highly comfortable and elegant new addition to our Nardi Outdoor furniture range. The FOLIO is designed exclusively for Nardi by Raffaello Galotto.

The seat cushions are designed to fit the brand new Nardi FOLIO Armchair and Rocking chair, and come in the following colours: Arctic Blue, Lino, Rose Quartz, and Felce.

They are made in Italy from a 100% yarn dyed acrylic with a light fastness rating of 5/8. The fabric of the FOLIO cushion is bonded with polyester fibre. They are machine washable at 30° on a delicate washing program.

The cushions are 7cm thick, and attach to the Folio chair with velcro straps. The padding is made from polyurethane foam with a density of 18kg/m3.

Note: Arctic, Felce and Rose Quartz are discontinued colours, and will be replaced with the Rosa Sunbrella, Arctic Sunbrella, Felce Sunbrella and Grigio.
